EASTER | Let us pray for everyone's "ONE" this Easter! Write their first name (or "my son, my neighbor") on our display, pray over all the names that God opens their hearts and let God do amazing things.

GOOD FRIDAY | Service will be held March 29 @ 7 PM. Missionaries and Faith Giving for March

Blaine & Kathleen Newhouse

The doors open at the historic National Evangelical Church of Bahrain, and the diversity of God's global church is quickly visible—the English Language Congregation (ELC) is a depiction of the Acts 2 church in action. With roughly 1,000 believers from over 50 countries, the ELC worship community values both the study of God's Word and service to other people. They have the unique opportunity to be the very presence of Christ in a part of the world where Christianity is often misunderstood.

Blaine Newhouse serves as the senior pastor of the ELC of the National Evangelical Church of the Kingdom of Bahrain, a church planted by the RCA in 1893. His wife Kathleen teaches at Al Raja School.

Western Theological Seminary

Located in Holland, Michigan, WTS offers 16 graduate programs online, in residence, in English, and Spanish for women and men preparing for faithful Christian ministry. WTS was founded in 1866 when seven of the eight members of Hope College's inaugural graduating class wished to become ministers and petitioned their denomination to allow them to complete their education in Holland. Since that time, WTS has been preparing women and men for a lifetime of ministry all around the world in many ministry and denominational contexts. .
