Missionaries and Faith Giving for May

Brian & Elizabeth Bruxvoort

Brian and Elizabeth Bruxvoort work in partnership with the Mission Aviation Repair Center, where they provide transportation for pastors, missionaries, Bible camps, and various other ministries that bring the hope of Christ to remote Alaskan villages. Whether they are transporting passengers or providing maintenance service for other missionaries' or pastors' planes, the Bruxvoorts' goal is to be the hands and feet of Jesus in all of their work.

Words of Hope

Words of Hope isn't just a devotional ministry, and it's not just a missions agency either! As you connect daily to the truths of Scripture with Words of Hope, you will also grow in your appreciation of and care for the global church. Resources you donate to the ministry will go directly to providing access to Scripture for people living around the world. Their stories of conversion, faith, and discipleship will encourage your own faith walk, and the global church will be built near and far!

If you would like to receive a Words of Hope Devotional ask Chris for a copy or check the mailbox marked "Words of Hope"
